

NDBIB Crowned the Best Corporate and Investment Bank in Sri Lanka for the 3rd Consecutive Year by the Prestigious Asiamoney Magazine

Asiamoney Editor's Comments on NDBIB's Outstanding Performance

*“ Sri Lanka’s capital markets are shallow by regional standards. Chunky initial public offerings and M&A deals are rare, while most debt sales are limited in scale. Yet the industry has talent, as demonstrated by NDB Investment Bank. **Whenever a deal is announced, be it of the pioneering or the run-of-the-mill variety, the Colombo-based investment bank [NDBIB] is likely to be involved.** “*
